The name Zephyr characterises the prevailing winds that complement Marlborough's unique ripening season. The Glover family vineyards, established in 1985, have inspired the family's passion for wine. The estate vineyards are situated in the emerging Dillons Point sub-region of Marlborough. Zephyr wines embrace the dynamic spirit of the Glover Family and the lively aromatics of the estate vineyards. Our winemaking style concentrates on producing exceptional fruit from the vineyards with minimal intervention in the winery to achieve the full expression of our terroir.
