

ZEPHYR

Gewürztraminer 2021

HOMEGROWN - MARLBOROUGH

Established in 1985, the Glover Family Vineyards have inspired the family's passion for wine. 2007 Ben launched the Zephyr Wines celebrating the family farm he grew up on. Ten years after launching Zephyr, Ben and his wife Susie transitioned 14Ha of the 35Ha family vineyard to organic farming under Biogro certification celebrating biodiversity.

PURE AND SIMPLE - FARMING'S A CHALLENGE

The 2021 vintage will be remembered for a heinous frost on the 30th September wiping out up to 90% of Zephyr's Gewürztraminer vineyard. For the first time in 15 vintages, we have released a wine not from our own Vineyards. The wine industry is full of mates who support, and it was the Isabel Estate team who unselfishly provided some exceptional fruit to help us get through this tough, challenging vintage.
