

ZEPHYR

organic Sauvignon Blanc 2021

HOMEGROWN - MARLBOROUGH

Established in 1985, the Glover Family Vineyards have inspired the family's passion for wine. 2007 Ben launched the Zephyr Wines celebrating the family farm he grew up on. Ten years after launching Zephyr, Ben and his wife Susie transitioned 14Ha of the 35 Ha family vineyard to organic farming under Biogro certification celebrating biodiversity.

PURE AND SIMPLE - FARMING'S A CHALLENGE

The 2021 vintage will be remembered for a heinous frost on the 30th September wiping out up to 50% of Zephyr's Dillons Pt Brawn Vineyard. For the first time in 15 vintages, we have had to release a wine not 100% from our own family Vineyard. While maintaining an emphasis on winegrowing through soil health, biodiversity, regenerative farming, and ultimately mindful consumption we found a like minded partner to help us through this vintage in The Rose family and their excellent Organic Kennedys Rd Vineyard.
