MK III Sauvignon Blanc 2024

HOMEGROWN - MARLBOROUGH

Established in 1985, the Glover Family Vineyards have inspired the family's passion for winegrowing. This family-owned Single Vineyard MK III Sauvignon Blanc is designed to disrupt the norm and stretch conventional thinking within the paradigm of Marlborough Sauvignon Blanc.

BEN GLOVER - WINEMAKER I JANITOR

10 years after launching the wine brand Zephyr, Ben and his wife Susie transitioned 17Ha of the family vineyard to organic farming practices. By carrying the Biogro certified organic logo – we are continuing Zephyr's journey to express the true flavours of the family farm, while having an emphasis on wine growing through soil health, biodiversity, regenerative farming, and ultimately mindful consumption. The MKIII block is under the three-year Biogro organic transition period. We will be able to certify from the 2025 vintage.
